Any car arriving after the closure of scrutineering may be refused permission to start. The organiser may provide a special period for scrutineering for competitors who arrive after the closure of scrutineering.

#### NOISE

For all cars, a limit of 100 dB is imposed, measured with a noise pressure meter regulated at "A" and "SLOW", placed at an angle of 45° to and a distance of 50 cm from the exhaust outlet, with the car's engine turning at 4500 revolutions per minute. (A carpet of 1.50 m x 1.50 m minimum must be placed over the relevant area).

## V. RUNNING OF THE EVENT

### DRIVERS BRIEFING.

**The Drivers' Briefing:** Drivers of those cars, which are eligible to take part in the race, must be present throughout the entire Drivers' Briefing. The Briefing will be held in English.

### PRACTICE

**Free practice** is not obligatory. There will be not more than 8 cars in each group, which will last for 3 laps. All drivers from all divisions after the time practice are in the ONE start list together.

### QUALIFYING

The maximum number of starters in qualifying heats is five (5) cars, starting from one grid.

**1st qualifying heat** – the start grid is made up according to the results of the draw.

All drivers from all divisions after the draw result are in the one starting list together.

All competitors in the subsequent Heat are required to be present in the pre-grid area while the current grid is being assembled, in order to allow the organizer to bring forward such competitors as necessary to complete the formation of the current Heat.

The starting grid of each Heat should be organised on the same basis: beginning with the slowest according to the time set

All the qualifying Heats will be timed and the fastest driver in each Heat will be awarded 1 point, the second fastest 2 points, and so on.

Those drivers who did not complete the Heat will be credited with n+1 points.

Those drivers who did not start the Heat will be credited with n+2 points.

Those drivers who were excluded from the Heat will be credited with n+3 points.

**2nd qualifying heat** - the start grid is made up according to the results of the first qualifying heat.

**3rd qualifying heat** - the start grid is made up according to the results of the second qualifying heat.

The sum all three rounds points determines the result of qualification for the finals.

When two drivers have scored the same total of points for entering the Finals, the fastest time of any of the Heats is decisive.

There will be 4 laps in qualifying heats.

### FINALS

The semi-finals and finals for different divisions will be held separately.

The maximum of starters in the semi-finals and finals is 6, the start grids 2-2-2.

There will be 6 laps in the Finals.
